Notice Published:	30 July 2020
Earliest Possible Decision Date:	27 August 2020

Urgent?	No
Reason for Urgency:	Recognising the financial imperative to reduce cost overruns, particularly at a time when General Fund balances are severely reducing due to the impact of Covid-19 and the fact that each week's delay in going forward with proposals to mitigate against wet paper will cost the Council approximately £13k it has therefore been decided to bring forward this item from 24th September to 11th September 2020.
