

Tristram Jenkins

Westhill Trust mentor to Crossing the Bridges Project

Email received from Tristram after he joined the teachers for the Crossing the Bridges places of worship trip on March 8th.

A really good day. Thank you.

Well-planned and absorbing. Full bus, 30+ teachers/TA's, with lots of interesting conversations en route.

Our host-guides were warm, well-informed and hospitable: in helpful-teacher mode and open to enquiry.

Children/young people are clearly most welcome at all four of the places of worship Centres....

The teachers must surely have felt impressed by possibilities and attractive contacts. Rich educational resources. Plenty to place into the boxes of the inviting enquiry-approach leaflet issued by the Crossing the Bridges Project.

If a further £200 creates another such trip, to satisfy the demand which exists, go for it!

This strong interweaving of six SACREs, with all their variety, is really heartening. Such a good decision, made at Westhill, to support it.

Every good wish for the project's onward journey.

Tristram
