COMMENTS:

Councillors considered this application but requested that the application for the proposed MRT link, including bridge structure be refused on the following grounds:

Concerns over the environmental impact on the National Thames Path and the natural environment of the River Thames of the extra vehicles diverted to the area

Loss of wildlife habitat

Due to the height, scale, prominence and its proximity to the River Thames and River Kennet, would be harmful to the landscape character of the area including its riparian appearance. Contrary to policies CP1, CP3 and CP11 of the Core Strategy.
