

### ITEM 11 NASACRE UPDATES

#### NASACRE Conference 2022 - Ambitious SACREs

Taking place in Birmingham on Monday 23 May, this conference will provide an opportunity for SACRE members to engage in discussion around issues of RE and Collective Worship. Keynote speakers will be Sarah Lane-Cawte (new Chair of the REC - Religious Education Council), HMI Richard Kueh (Ofsted) and David Hampshire, a previous chair of NASACRE, who will present the analysis of the most recent (2021) SACRE annual reports.

Additional sessions will look at the new SACRE audit tool, Westhill award winners, the Local area Network report and other topical issues of interest to SACREs.

Who can attend this on behalf of our SACRE?

#### LAN (Local Area Network) report

'Still Standing' – the REC Local Area Network Report is now live [here](#).

#### The report asks SACREs to consider the following points:

1. Reviewing SACRE membership in partnership with the LA to ensure that it is representative of the local community, and supports the religions and worldviews included in the Agreed Syllabus. Having a diverse range of voices with specific roles on SACRE is essential if an LA is to be able to discharge its legal responsibilities. SACREs can start the process of working with their LA to update membership now. This may require a change to the constitution or terms of reference; the LA legally approves your members and there is nothing in the present legislation that would hinder this.
2. Continue to build local partnerships with the LA to ensure necessary funding.
3. Within the present legislation regarding their ability to widen their membership, the CoRE report helpfully suggests SACREs think about adding to their membership - if they haven't done so already - education departments at museums and universities, local ITT providers, local RE CPD providers, training school hubs, parents, governors, pupil voice, academies and free schools, to name but a few possibilities. Widening representation and local buy-in strengthens the work of high quality RE in schools.

Claire Clinton, the report's author, believes that there are some useful documents developed by SACREs who participated in the project, for other SACREs to use in their work, including

- An audit tool for Agreed Syllabus reviews
- A simple participatory action research template
- A membership tool

NASACRE hopes that there will be an opportunity for SACREs to find out more about these tools and discuss the impact of the report at the (hopefully!) face-to-face May 2022 conference in Birmingham.

## Spring Term 2022 NASACRE Updates

What can our SACRE learn about this? Could someone go back and find out more about this and lead a discussion at our next meeting?

### NASACRE's SACRE self-evaluation tool

The NASACRE development group has worked hard on reviewing, updating, and improving the SACRE self-evaluation tool. This tool will enable SACREs to consider their effectiveness in all areas of its work in order to produce a targeted and costed Development Plan in partnership with your LA.

The SEF is available [here](#) for use at SACRE meetings.

There will be a workshop at the conference in May 2022 around how to use the tool to best effect.

Should this be on our summer agenda, led by whoever attends the NASACRE conference?

### NASACRE's new online training programme

NASACRE members can access these recorded sessions [here](#) along with the slide shows and resources.

The programme for 2021-22 can be accessed [here](#).

Can anyone from SACRE attend any of these? Which might be useful?
