

Proposed creation of a second priority designated area for The Coombes CE Primary School applicable to the 2013/2014 academic year

Details:

Farley Hill Primary School will continue with its current single designated area (shaded yellow) and the shared designated area with The Coombes CE Primary School (shaded red). Applications for places at Farley Hill Primary School from either of these two areas, subject to meeting residency requirements, will be considered under criterion C – children whose permanent home address is in the school's designated area and who have a sibling at the school when the applicant will enter the school or criterion D – children whose permanent home address is in the school's designated area.

It is proposed to make the single designated area for Farley Hill Primary School (shaded yellow), a second priority designated area for The Coombes CE Primary School.

This means that applications for The Coombes CE Primary School from children living in its single designated area (first priority area - shaded blue) or from the shared area with Farley Hill Primary School (shaded red) would be ranked higher on radial distance than those living in the proposed second priority designated area (shaded yellow).

The affect of this change would mean that those children living in Farley Hill Primary School's single designated area will have an increased priority for places at The Coombes CE Primary School, should parents express a preference for the school. Historically, those applications for children in the outlying villages in Farley Hill Primary School's designated area have had difficulty accessing the school due to its popularity from within its large designated area from applicants living closer to the school on radial distance.

Siblings attending The Coombes CE Primary School, living in the proposed second priority area would then be considered as Criterion C (details above) instead of Criterion E – siblings living outside designated area.

An affect of this proposal would be to reduce the numbers of places available at The Coombes CE Primary School for applications received in the following oversubscription criteria:

- E Children who have a sibling, living at the same address, who will be at the school when the applicant will enter the school*
- F Children whose parents choose the school on denominational grounds
- G Any other children

*There may be fewer children in this criterion as some of the children may be considered under criterion C under the new arrangement as their addresses would be in the newly created second priority designated area for the school.

An additional note will be written into oversubscription criteria C and D to alert parents that this arrangement would apply. The proposed clause will read:

'The designated area for The Coombes CE Primary School has been revised to include a second priority designated area (currently the single designated area for Farley Hill Primary School). Applicants from the first priority designated area and the shared area will be allocated places before those living in the second priority designated area. The tiebreaker will be applied to each area to determine who is allocated a place should there be more applicants than places in either priority areas or the shared area.'

The following table gives a guide to the number of pupils currently residing in Farley Hill Primary School's single designated area and the schools that they currently attend:

School	N2	R	1	2	3	4	5	6	Total
The Coombes CE Primary	3	4	6	2	3	2	1	2	23
Farley Hill Primary		11	9	9	8	11	7	11	66
Finchampstead CE Aided Primary			3			1		1	5
Highwood Primary						1			1
Lambs Lane Primary		2		2		1	3		8
Shinfield Infant & Nursery	1	1	1	2					5
St Teresa's Catholic Primary		1	1				1		3
Westende Junior					1				1
Whiteknights Primary					1			1	2
Total	4	19	20	15	13	16	12	15	114
