# THE COUNCIL'S VALUES

**WOKINGHAM  
BOROUGH COUNCIL**

## Aiming for Excellence

When we are being excellent we...

- **focus on the customer and the local community**
  - by doing things based on customer expectations, not what's easiest for us
  - by treating each customer as an individual and getting the small things right for them
  
- **behave as one organisation**
  - by taking pride in the achievements of the whole Council and everyone's part within it
  - by thinking of the impact of our actions on the rest of the organisation and partners
  - by working together with other services and partners to provide the services local people need
  
- **are creative and flexible**
  - by looking for opportunities to improve services and being open to change
  - by trying new things, facing challenges and learning from mistakes as well as our successes
  
- **work effectively**
  - by focusing on outcomes, planning well and doing what we say when we say we'll do it!
  - by being flexible, responsive, determined, good at teamwork and communication
  
- **manage resources properly**
  - by making best use of our staff, budgets and other resources
  
- **manage ourselves and others well**
  - by treating people fairly, making them feel included and valued for who they are and what they do
  - by only accepting high standards from ourselves and our colleagues
  - by our managers being accessible and communicating well, while showing that they value staff
