Cllr. Lindsay Ferris	My view on this proposal is that until/or if Civil Parking Enforcement is introduced

	this is probably the most that one can expect.
Cllr. Wayne Smith	As per our conversation, providing we can help the resident who lives in the first house on the left and agree to review as required, then yes happy for you to proceed.
Officer Comment	We are unable to add additional restrictions to the TRO without consulting again. Agreed with Cllr. Smith that we would monitor the parking restrictions when they are implemented but in the meantime we will write to the resident and tell him that we will provide him with an Access Protection Marking across his drop kerb area which should protect each side of his driveway from vehicles parking too close.
