25.3 Arborfield;  
Barkham

Claire Symes has asked the Executive Member for Highways and Transport the following question:

**Question**

I am writing with regard to a safe walking and cycling route to the new Bohunt School, Wokingham from The Lilacs in Barkham. My son is due to start at the school this September. This was our first choice school, and as we live under 3 miles away, I believe that free transportation will not be provided by WBC. We were hoping that our son would be able to cycle to school, providing a healthy and independent means of travel.

However, at present, this is not a safe option from The Lilacs. The speed limit on the Bearwood Road only drops to 30 mph at the end of the road, near the roundabout. The WBC factsheet on road speeds states that a child hit by a vehicle driving at 40mph is likely to die! How can I send my child safely off to school on his bike or by foot, when he is at serious risk of death?

There is no safe crossing at the bottom of Bearwood Road, which is a very busy road during rush hour/school commuting times; and there is no safe crossing on the Barkham Road/Barkham end of Langley Common Road. Furthermore, the pavement around the Barkham Manor is dangerously narrow, with a high wall to one side. Traffic regularly speeds around this corner, with little regard for pedestrians.

I urge you to press for a reduced speed limit of 30 mph on the Bearwood Road and to provide a safe crossing on the Bearwood Road and Barkham Road/Langley Common Road, as well as considering what needs to be done to improve the safety of pedestrians and

cyclists travelling past the Barkham Manor.

We were encouraged to consider Bohunt as an option, and were assured that whilst the Arborfield development was in progress, the council would ensure that there were safe routes to Bohunt from Barkham, or alternatively, free transportation until this was established.

32.8 None Specific

Prue Bray has asked the Executive Member for Resident Services the following question:

**Question**

In an attempt to address its financial challenges, the council has begun work on remodelling itself. We understand that the business case for the 21st Century Council project will come to the Executive in the Autumn. For this remodelling to succeed, there will need to be a shift in the way the council interacts with the public, so that the public can more easily get their queries answered satisfactorily and the work load on staff is reduced. This presents both threats and

opportunities. If this is got right, there is a genuine chance to improve the responsiveness of the council to its residents. What steps does the administration intend to take to involve the public and others in contributing ideas to the changes to its customer-facing functions so that the outcome is as good as it can be?

32.9 Arborfield;  
Barkham

Gary Cowan has asked the Executive Member for Highways and Transport the following question:

**Question**

At the Arborfield Garrison Public Forum held at Henry Street Garden Centre on June the 29th Officers gave a presentation on safe walking routes to Bohunt School which some residents of both Arborfield and Barkham have serious concerns with. As the Executive Member responsible do you approve of the plan as presented and therefore accept responsibility for its implementation and have you seen and approved any risk assessment attached to this plan?

32.10 None Specific

Clive Jones has asked the Executive Member for Health and Wellbeing the following question:

**Question**

The Government is conducting a dangerous experiment by cutting funding for pharmacies which will see up to 3000 close, thereby reducing people's access to medicines and healthcare advice, and putting extra pressure on GPs and hospitals.

The proposals put at risk a part of the health system that holds the key to solving many of its problems. Patients would be the biggest losers. There are particular concerns about the risks to the most vulnerable people and the most deprived communities, where local pharmacies are often (literally) a lifeline.

What action will you take to minimise the negative impact on Wokingham Borough residents of this government cut to pharmacy funding?

Motion 383 submitted by Lindsay Ferris

Over the past few weeks Wokingham Borough councillors have received numerous communications from residents showing how dissatisfied they are with the new grass-cutting contract that came into force in April 2016.

This Council supports the aims of the new contract to provide flexibility and improve bio-diversity, but regrets that the implementation of the contract has been far from satisfactory, and that too little guidance was given on what was an appropriate level of grass-cutting in each area. This Council calls on the Executive member for Environment to provide in writing for publication on the council website and to issue to the media:

- an apology for the poor implementation of the contract
- an explanation as to why the contract was allowed to be implemented badly
- a clear outline of a way forward that will solve the problems.

#### 34.2 None Specific

Motion 384 submitted by Keith Baker

We are proud to live in a diverse and tolerant society. Racism, xenophobia and hate crimes have no place in our country. Our council condemns racism, xenophobia and hate crimes unequivocally. We will not allow hate to become acceptable.

We will work to ensure that local bodies and programmes have the support and resources they need to fight and prevent racism and xenophobia.

We reassure all people living in this area that they are valued members of our community.
