Cllr Haitham Taylor	"This proposal is what local members have been campaigning for since this application came to the council for reserved matters. Therefore, I fully support the proposed traffic regulation offer to change the bus

	gate into a junction for cars to enter and exit the Mitford fields estate. This will help alleviate some of the traffic that currently goes up and down the Grazeley Road. I would also support the Council looking into whether a yellow box or keep clear sign would also help at this junction (Basingstoke Road and Tabby Drive) to keep the traffic flowing and allow free movement in and out of the Mitford Fields estate.”
