77.1	None Specific	Tracey Stone asked the Chairman of the Health and Wellbeing Board the following question: Question: I am hearing conflicting information on the waiting list	

for CAHMs support in Wokingham. My daughter is eleven and suffers from anxiety and OCD and I was told by my GP that the waiting list for CAHMs could be up to eighteen months so I was offered support from ARC counselling for six sessions instead which we took but now their funding also seems to have been cut as that is no longer available to me either. Upon attending the workshop on children and young people's mental health on 14 March in Woodley I heard from the CAHMs team presenting there on two occasions during their talks both on stage and in the workshops that the waiting list is around one year. I was then informed that at the last meeting of the Health and Wellbeing Board it was stated the waiting list was now only six weeks. I am now having to pay Cardinal Clinic £350 for each psychiatrist appointment and then £100 for each psychologist appointment following that, can you clarify the time frames for the waiting list and also what is being to address the long waits in the Borough?

77.2 None Specific

Anne-Marie Gawen asked the Chairman of the Health and Wellbeing Board the following question:

Question

"The "Together - Wokingham Your Way" service - (which supported people in Wokingham Borough who were recovering from mental illness in the community, individually or in groups,) has had its service ended prematurely.

What interim service is there in place now to replace it, manage the impact of its closure and to avoid any risks to those in need of the withdrawn service, and how is the "saved" allocated budget being used to provide alternative services to those who need them now?

I understand that there is an aspiration for a mental health Recovery College in Wokingham Borough and that it is hoped to be opened in September 2018. This will provide recovery services, though not the one to one support provided by Wokingham Your Way. September is a long way off, and there are no guarantees that September will see the Recovery College opening. On opening it will inevitably need to build up slowly, so a full service will not all be immediately available then.

I am very concerned that those existing clients of Wokingham Your Way will be required to travel further (I understand Reading Your Way has an interim role until June) and new people may fall through the gap

and not receive a service at all. I am aware that people are currently in distress and struggling following the closure of Wokingham Your Way and would like to be able to let them know what support is available to them.
