The role of Overview and Scrutiny is to provide independent “critical friend” challenge and to work with the Council’s Executive and other public service providers for the benefit of the public. The Committee considers submissions from a range of sources and reaches conclusions based on the weight of evidence – not on party political grounds.

This meeting may be filmed for inclusion on the Council’s website.

Please note that other people may film, record, tweet or blog from this meeting. The use of these images or recordings is not under the Council’s control.

The Health Overview and Scrutiny Committee aims to focus on:
