88.1	Shinfield South	Simon Cooper has asked the Leader of Council the following question: Question Three years ago a car crashed in to my house, writing off my cars, causing serious damage to my property and killing a passenger in the vehicle. Thursday 30 January the same happened again, the difference this	

time, we'd sold our property and were due to move out at the end of February, our buyers, understandably pulled out.

Prior to both of these incidents I stood in this chamber on several occasions and asked the Councillors what they were doing about the speed issue in Grazeley, indeed, I asked the same question of the Chief Constable, Shinfield Parish Council, John Redwood and others including Charlotte Haitham Taylor. I also invested in a speed camera gun and provided the police with video evidence of, in particular, a Fiat 500 travelling at 91 MPH outside my property. I also petitioned the local village and provided this evidence to your Councillors.

I've now lost the sale of my property and both my wife and I are petrified the same might happen again. Two lives lost and 6 incidents in as many years outside my property. What are you going to do about this and in what timescale - a verbal 'we will look in to it' will not wash. My next stop is the press - I've nothing to lose now.

Martin Doyle has asked the Executive Member for Planning and Enforcement the following question:

Question

Are WBC Planning decisions fair and just or are they designed to avoid enforcement issues?

Approval of 193302 was made on the 30th January 2020 which followed an enforcement officer's visit on the 29th January 2020. Case in point: Application 182995 which was a retrospective application declined by WBC. Reason for dismissal: "Due to oppressive nature of building on 11 Drovers Way" Application 192408 an appeal to the above which was dismissed by the inspector and later withdrawn by the applicant. Reason for dismissal: "Due to oppressive nature of building on 11 Drovers Way" Application 193302 which was the same as 182995 and 192408 but with some flowers on the top. No change whatsoever to the oppressive nature of the building just with flowers on the top and approved by WBC Planning Committee the day following the Enforcement Officer's visit.
