The role of Overview and Scrutiny is to provide independent “critical friend” challenge and to work with the Council’s Executive and other public service providers for the benefit of the public. The Committee considers submissions from a range of sources and reaches conclusions based on the weight of evidence – not on party political grounds.

**Note:** Although non-Committee Members and members of the public are entitled to attend the meeting in person, space is very limited due to the ongoing Coronavirus pandemic. You can however participate in this meeting virtually, in line with the Council’s Constitution. If you wish to participate either in person or virtually via Microsoft Teams, please contact Democratic Services. The meeting can also be watched live using the following link:
