The role of Overview and Scrutiny is to provide independent “critical friend” challenge and to work with the Council’s Executive and other public service providers for the benefit of the public. The Committee considers submissions from a range of sources and reaches conclusions based on the weight of evidence – not on party political grounds.

Note: Non-Committee Members and members of the public are welcome to attend the meeting or participate in the meeting virtually, in line with the Council’s Constitution. If you wish to participate either in person or virtually via Microsoft Teams, please contact Democratic Services. The meeting can also be viewed live using the following link:

28.1		Councillor Gary Cowan asked the Chair the following question: As the Overview and Scrutiny Management Committee is responsible for co-ordinating the Council's	

arrangements for holding the Executive to account, which includes undertaking policy development and reviewing performance monitoring and external Scrutiny. Apparently the Council's accounts have not been signed off for two years

My question is: does the Overview and Scrutiny Management Committee consider that the Borough Council's Audit Committee is a good enough safeguard for the Borough Council's finances?
