# 2017/18 Schools Revenue Monitoring Report December 2017

## 1 Purpose of the Report

This report provides the Schools Forum with details of the revenue budget position as at 31<sup>st</sup> October 2017.

# 2 Suggested Action

The Forum is asked to note the contents.

## 3 Background

This report shows the expected out-turn for the Dedicated Schools Grant (DSG) in financial year 2017/18. It makes the assumption that the centrally retained amount will be fully spent.

The de-delegated items funding comes from the contribution made by maintained schools and subsequently any underspend belongs to the maintained schools. The underspend will be held for the maintained schools unless the maintained schools vote on having that funding returned back to them when the out-turn is reported next year.

# 4 Financial Summary

The forecast as at 31<sup>st</sup> October 2017 shows an overspend of approx. £1.081m, which is an improvement on the September figure due to a reduction in the High Needs Block expenditure of £251k. Finance will continue to work with the SEN team to track and update forecast movements in a timely manner.
