2017/18 Schools Revenue Monitoring Report January 2018

1 Purpose of the Report

This report provides the Schools Forum with details of the revenue budget position as at 30th November 2017.

2 Suggested Action

The Forum is asked to note the contents.

3 Background

This report shows the expected out-turn for the Dedicated Schools Grant (DSG) in financial year 2017/18. It makes the assumption that the centrally retained amount will be fully spent.

The de-delegated items funding comes from the contribution made by maintained schools and subsequently any underspend belongs to the maintained schools. The underspend will be held for the maintained schools unless the maintained schools vote on having that funding returned back to them when the out-turn is reported in May or July's Schools Forum.

4 Financial Summary

The forecast as at 30th November 2017 shows an overspend of approx. £1.039m. This is an improvement of £42k on that previously reported and reflects a small movement within the High Needs Block.
