

<b>TITLE</b>	<b>Review of Statement of Gambling Principles</b>
<b>FOR CONSIDERATION BY</b>	Licensing and Appeals Committee 4 September 2018
<b>WARD</b>	None-specific
<b>DIRECTOR</b>	Sean Murphy - Public Protection Manager

## **OUTCOME / BENEFITS TO THE COMMUNITY**

Section 349 of the Gambling Act 2005 ('the Act') requires all licensing authorities to prepare and publish a statement of the principles that they propose to apply in exercising their functions under the Act ('Statement'). The Statement will last for a maximum of three years and can be reviewed and revised by the authority at any time.

The present Statement was published to take effect from the end of January 2016 and therefore must undergo a review and be re-published to take effect by the end of January 2019.

## **RECOMMENDATION**

That the Committee approves the revised Statement of Gambling Principles at Annex A, prior to it being referred to Council in November

## **SUMMARY OF REPORT**

This report introduces the revised Statement which has been updated to reflect the results of the consultation exercise carried out as required by legislation.

## **Background**

Further to the report brought before the Committee in June, the Statement has been updated having taken account of the comments received during the consultation period.

In addition to general re-formatting and minor points of clarification or update, the material changes are as follows:

- Revised section 1.1 to clarify the purpose of the Statement;
- Added section 1.4 to clarify licensable activities and those areas of responsibility of the licensing authority;
- Added reference to the 'Primary Authority' scheme in 1.8;
- Adding additional guidance on local risk assessments in 1.9;
- Added section 2.11 reference track betting licence (this section previously advised it would be completed should an application be received, but the applicant would need to know the authority's position to take into account prior to making an application, and to review the Statement is not something that can be done at short notice and without referral through full Council);
- Added 4.1 on decision making and 4.2 on appeals;

- Added a set of appendices including details of consultees on the policy, the map of the borough, the delegations for decision making and a glossary.

### Analysis of Issues

The Statement must, by law, be revised and re-published to take effect from the end of January 2019.

### FINANCIAL IMPLICATIONS OF THE RECOMMENDATION

***The Council faces severe financial challenges over the coming years as a result of the austerity measures implemented by the Government and subsequent reductions to public sector funding. It is estimated that Wokingham Borough Council will be required to make budget reductions in excess of £20m over the next three years and all Executive decisions should be made in this context.***
