Dear Rebecca,

I understand that Henley Festival is making an application for an Order under Section 16A Road Traffic Regulation Act 1984 for the diversion of Footpath Number 4 Remenham during the 2019 Festival, as attached.

Should Wokingham Borough Council decide to make the Order, we, as freeholders of the land, confirm that the alternative route, as detailed, will be made available and kept open for the use of members of the public during the time that the Footpath is diverted.

I am quite sure that the short diversion proposed makes a significant contribution to ensuring the health and safety of those using the footpath whilst the stage is being erected and dismantled.

As freehold owners of this land, we confirm that there is no other party with an interest in the land who would be required to give their consent to such an alternative route.

Yours sincerely,

D. G. M. Grist
Secretary.
