- demonstrate the Council's commitment to good governance and a zero tolerance approach towards fraud and corruption; and
- set out that the Team's resources are being properly utilised.

## **RECOMMENDATION**

That the Audit Committee consider and approve the 2019/20 Internal Audit and Investigation Plan.

## **SUMMARY OF REPORT**

This report presents the 2019/20 Internal Audit and Investigation Plan (Appendix A)

A consultation draft Internal Audit and Investigation Plan was presented to Corporate Leadership Team on 22 January 2019.

If adopted, the key financial implications for the Council are revenue costs of providing, and contributing to, the Shared Audit and Investigation Service.

## Background

The Accounts and Audit Regulations 2015 require that every local authority undertakes an effective internal audit of their risk management, control and governance processes. The Regulations also require the authority to produce an Annual Governance Statement (AGS) that forms part of the Statement of Accounts.

In addition, under S151 of the Local Government Finance Act 1972, the Council's Director of Corporate Services (as S151 Officer) has a statutory duty to maintain an appropriate framework of internal controls over the Council's financial affairs. Reliance upon Internal Audit and their annual programme of work in reviewing the operation of systems of internal control and financial management is fundamental to the fulfilment of that responsibility.

Internal Audit work is undertaken in accordance with the Internal Audit Charter, approved by Audit Committee in September 2016, which complies with the Public Sector Internal Audit Standards 2016.

The 2019/20 Internal Audit and Investigation Plan has been agreed by CLT, is attached to this report. It has been prepared using the Council's Corporate and Service Risk Registers, where possible. It is intended to demonstrate how the Internal Audit and Investigation Service supports the overall aims and objectives of the Council. Consultations have been undertaken with key internal stakeholders:- the Chief Executive and all Directors.

The Internal Audit and Investigation Plan focuses efforts / cost on only those audits that feed directly into:-

- the regulated External Audit which would result in higher external audit costs if not done internally.
- other regulated reporting but only the minimum effort necessary to deliver compliance, including the AGS.
- facilitating the provision of an overall opinion each year for the Audit Committee on the operation of the Council's internal control environment, risk management arrangements and governance framework.
- other CLT/Executive/Audit Committee strategic & tactical priorities which are at high risk from changes in customer needs, funding, processes or resourcing.
- areas identified by External Audit as requiring improvement.
- areas of audit or investigation which are deemed to be 'important' to support operating objectives.

In addition to the work of Internal Audit, there are other sources of assurance that the Chief Executive, Directors and the Audit Committee can place reliance on. Where these sources of assurance are provided by suitably qualified third parties, Internal Audit may be able to place reliance on these providers.

Whilst a number of audit reviews within the Audit Plan are effectively considered as mandatory (key financial systems, particularly high risk items etc), others enter or leave the Audit Plan based on the views of officers and CLT/Audit Committee.

There is another aspect to the Internal Audit Service and that is the provision of advisory or consultancy services. This work is available at management request and where agreed, supplied on demand. The focus of this work is to suggest improvements.

The Internal Audit Service is well placed to provide advice based on its access and knowledge of other parts of the Council, its partners and clients systems and processes. The Investigations element of the Plan includes fraud awareness, proactive fraud drives and investigation of fraud and malpractice.

**FINANCIAL IMPLICATIONS OF THE RECOMMENDATION**

*The Council faces severe financial challenges over the coming years as a result of the austerity measures implemented by the Government and subsequent reductions to public sector funding. It is estimated that Wokingham Borough Council will be required to make budget reductions in excess of £20m over the next three years and all Executive decisions should be made in this context.*
