<b>TITLE</b>	Update on Complaints and Feedback
<b>FOR CONSIDERATION BY</b>	Standards Committee on 4 March 2019
<b>WARD</b>	None Specific
<b>DIRECTOR</b>	Director of Corporate Services - Graham Ebers

## **OUTCOME / BENEFITS TO THE COMMUNITY**

To inform and feedback results of the Member Complaints process.

## **RECOMMENDATION**

To note the report and consider any issues arising.

## **SUMMARY OF REPORT**

Since the last report on Complaints to the Committee on 7 January 2019 there have been no new complaints received.

Appendix A provides a summary of the complaints previously received and the latest position on each.

A verbal update will be given at the meeting on any specific patterns/trends or other matters that the Committee may need to consider.

Also, the Committee is asked to consider any broader training issues that arise from these complaints.

## **Background**

Under Section 9.1.13.5 of the Council's Constitution, the Monitoring Officer provides a report to the Standards Committee, on a quarterly basis, which contains the following: the number and nature of complaints received; progress on any investigations and associated costs; and identify areas where training or other action might avoid further complaints. However, the name(s) of the Member(s) will not be disclosed.

Since the last report to the Committee on 7 January 2019, there have been no new Code of Conduct complaints received.

Under the Council's adopted policy for the consideration of Code of Conduct Complaints, the Monitoring has delegated authority to decide whether the complaint:

- a) can be resolved informally i.e. by mediation with the two parties before making a decision on whether the complaint merits formal investigation;
- b) requires investigation;
- c) should be referred to the Standards Committee;
- d) no further action should be taken.

## **Analysis of Issues**

The latest position on existing complaints is shown at Appendix A.

## **FINANCIAL IMPLICATIONS OF THE RECOMMENDATION**

*The Council faces severe financial challenges over the coming years as a result of the austerity measures implemented by the Government and subsequent reductions to public sector funding. It is estimated that Wokingham Borough Council will be required to make budget reductions in excess of £20m over the next three years and all Executive decisions should be made in this context.*
