Purpose and Aims

- Provide a common level of understanding of what is trying to be achieved
- Establish partnership connections around the four Primary Care Networks (PCNs)
- Begin to generate ideas to inform the thinking around what the neighbourhoods would look like

Event Details:

Date: Wednesday 13th November 2019

Time: 18:00-21:00

Location: Sindlesham Court

Event Format:

- Presentation of “where we are now”
- Tables will be set out by PDNs which will consider gaps and identify opportunities for working differently for the wellbeing of the community. Ideally there will be representation from partners on each of the table depending on their location.
- Tables will then report back to the wider group
- A discussion on how to stay connected with other partners and thoughts for the future events.

The event will be interactive and encouraging of sharing views and perspectives on the communities and services within Wokingham. Discussions around the tables will be focused on the three key Wellbeing Board priorities and how these could be addressed in the new PCNs. In order to highlight the PCN areas, there will also be four maps of each area which will be up during the event for partners to view what services and provisions are in each network.

Full information on the event along with the invitations will be sent out in the coming weeks.
