COMMENTS:

We object to this inappropriate overdevelopment of the site. The proposed development would cause issues with privacy for residents of The Dittons due to the close proximity of the staticmobile homes.

We believe WBC currently has adequate provisions for gypsy and traveller pitches.

We understand the existing plans appear inaccurate, the layout of existing pitches is incorrect and do not represent the current layout of the site.

If the planning officer is minded to approve this application we ask that conditions are added to any approval.
Siting of mobile homes to be an acceptable distance from adjoining properties.
Landscaping to offer satisfactory visual protection to existing properties.
Light pollution, any street lights to be positioned and directed within the site.
