Use of car park for organisations who are not hiring the hall	per session				£5.00		New - from 1 December 2020	Charge is for caretaker to unlock the gates, and later re-lock them. The car park is locked when the building is not in use due to nuisance behaviour (neighbours complained) late at night. Football groups using the football pitches on Sandford park which they hire from WBC sports dept. at the weekend would like to use the car park on match days.	Residents have complained about parking on the roads on match days. Availability of the car park for a small fee should help alleviate these concerns

Angling Fishing Syndicates										
White Swan Lake	per person	Standard	Full cost plus	£610.00	£671.00	10.0%		There are limited 'swim spaces' for fishing in Borough owned lakes and this is leading to significant visitor demand by anglers. Dinton Pastures angling is well known in the angling industry with visits from all areas of the UK and a 'waiting list' is now in operation. The lakes are well stocked and cared for with some sizable fish which attracts anglers at all technical levels. The additional cost primarily allows these additional funds to be re-invested into stocking the lakes, improving the swims and increasing accessibility for users ensuring continued visits, reputational improvement and a sustainable business for the future.	An equalities impact assessment has taken place which has determined that there is no impact of the rises.

Annual Boat Storage Fees - MEMBERS only									
Small Boat Storage and Parking		Standard	full cost plus	£73.00	£94.00	28.8%	Increase in storage due to land costs	A review of prices has determined that for a small boat to be 'stored' at Dinton all year this would equate to £1.40 per week which is significantly less than other local boat storage companies. The increase to £94.00 or £1.80 per week is still cheaper than other boat storage facilities but this does consider local users and the increased customer demands for using Dinton to sail at.	The equalities impact assessment has determined that the price increase would not have any detrimental affect.
Large Boat Storage and Parking		Standard		£124.00	£160.00	29.0%	Increase in storage due to land costs		
Lake Access Fees:									
Annual Lake Access Pass Adult	pp	Standard	full cost plus	£64.00	£85.00	32.8%	2.4 million on new facilities for members - DAC build project. Day Lake Access Passes are £10 per day, so an adult annual pass equates to roughly 12 day tickets, which is once a month or twice a week for 6 months of the year. Family ticket needs to be at least the cost of two adults, as it if for two adults and two concessions.	The annual access to the lake allows an adult to turn up with their craft and use the water as many times as they wish throughout the year. At £64.00 or £1.23 per week this is extremely good value and is better than other locations in the area. The increase to £85 or £1.63 per week still represents very good value to enable access to the water. Part of this increase will be put towards the funding for the new Dinton Activity Centre which the business case is formulated on.	The equalities impact assessment has determined that the price increase would not have any detrimental affect.
Annual Lake Access Pass Family (two adults, two juniors)	4 people	Standard		£92.00	£120.00	30.4%			
Instructor Training:									
Archery Instructor Award		Exempt		£250.00	£300.00	20.0%		This course is undertaken by the Governing Body Archery GB. Their prices have risen across the board and the finances are cost neutral. This year it is expected that the DAC will train up a member of staff to hold these classes which will allow value for money going forwards.	The equalities assessment has suggested that training of a Dinton member of staff this year to undertake this activity will allow greater flexibility and pricing for 2022/23
Days Out:									
Themed Guided Night Paddles	per Adult	Exempt		£21.00	£30.00	42.9%		The increase is to allow for extra materials/infrastructure to improve the experience for users as per feedback received.	The impact assessment has determined that there will be no detriment.
Themed Guided Night Paddles	per Junior	Exempt		£16.00	£25.00	56.3%

Activity Hall												
Re-worked for the new building												
Commercial Rate Half Day / Evening	per 3 hours	Exempt		£72.00	£89.00	23.6%	New £2.4 million building with three rooms to hire, Activity Hall (now larger than the previous hall), classroom and meeting room. Price worked out by dividing the existing price down per m2 then multiplying it up by the new footprint areas per room then adding 15% due to new improved facilities. These fees are still a lot lower than commercial hires of local facilities for conferencing, view to increase again in 2021.	New £2.4 million building with three rooms to hire, Activity Hall (now larger than the previous hall), classroom and meeting room. Price determined by dividing the existing price down per m2 then multiplying it up by the new footprint areas per room then adding 15% to cover administration costs. Market research indicated that these fees are lower than other local commercial hires, view to increase again in 2021/22.	Only increase is due to the new activity hall, however there is no impact on equalities assessment

Book & Play:												
Sporty Single Handed Dinghy	1 hour	Standard			£25.00			This is a new piece of equipment that has been purchased. The Sporty single handed dingy is slightly more expensive than the non-sporty version hence the additional hire cost (single handed is £20)	No increase, however there is no equalities impact			
Canoe / Double Kayak Hire (two to three people)	per boat per half hour	Standard		£7.00	£16.00	128.6%	Pay & Play Boat Hire is now bookable by boat not per head. It was £7pp. It's now £8, £16 or £25 per boat, depending upon what boat you hire. For pedalos and kayaks there was a number of complaints that a family of 4 cost £28 where as two people would only cost £14. So changed to £16 per boat per half hour which is similar to other watersports places.	The Dinton Activity Centre has received significant feedback on this activity by users. This year the cost was £7 per person and families of four people were paying £28 per pedalo which is very high for 30mins. Therefore the costs have been re-assessed for a charge of £16 per boat which is much fairer	The impact on groups for this activity has been reduced as it is more equitable for families of 3 or 4 to afford £16 rather than £21 or £28 per boat
