

QUESTIONS TO THE COMMUNITY AND CORPORATE O&S COMMITTEE

22 FEBRUARY 2021

MEMBER QUESTIONS RECEIVED AFTER DESPATCH OF THE AGENDA

CCO&SCM1

Gary Cowan has asked the Chairman of the Community and Corporate Overview and Scrutiny Committee the following question:

Question

The agenda states that and I quote "During the financial year 2020/21, the Flooding and Drainage team made further progress in fulfilling Wokingham Borough Council's (WBC) statutory obligations as Lead Local Flood Authority (LLFA) under the Flood and Water Management Act (FWMA) 2010. The primary responsibility as an LLFA is to manage the coordination of surface water and groundwater flood risk in order to protect residents from flooding"

My question is does surface and Ground water risk include reservoirs and Dams or Not or is that a different water that residents do not need protecting from?
