

QUESTIONS TO THE EXECUTIVE

30 SEPTEMBER 2021

MEMBER QUESTIONS RECEIVED AFTER DESPATCH OF THE AGENDA

EM3

Stephen Conway has asked the Executive Member for Neighbourhoods and Communities the following question:

Question

I am delighted to see the lease for the new Twyford Library recommended for approval by the Council's Executive. Assuming that the Executive does indeed approve, can the Executive Member give some indication of the timetable for the conversion work and likely date of the opening of the new library?

EM4

David Hare has asked the Executive Member for Health, Wellbeing and Adult Services the following question:

Question

May I congratulate the officers in this enterprising paper, support for the preventative service is something I have long advocated. You are increasing the money available to the voluntary services excellently in 2022/3 but the increase in 2023/4 is only £100k that is 5% or not much more than inflation. As the voluntary sector grows due to more certainty that this funding provides along with increased demand and need will further monies be available to fund new preventative and first step services that are valuable assets to the Council?

EM5

Rachel Bishop-Firth has asked the Executive Member for Resident Services, Communications and Emissions the following question:

Question

I am very pleased to see on the report from the Climate Emergency Task and Finish Group that you see behaviour change science as a golden thread throughout the CEAP and that the Council will be encouraging public transport and active travel wherever possible. This will be vital in tackling the climate emergency.

What steps will you be taking to limit the number and length of journeys which are taken within the Borough?
