Outstanding Schools:

Since the re-introduction of inspection for schools previously judged to be outstanding by Ofsted we have had three of our outstanding schools inspected. Two of these provisions have successfully retained their outstanding judgement.

As of May 2023 we have 7 schools awaiting inspection under this new guidance who were previously judged to be outstanding. Additionally the hospital school is also due for inspection under its routine inspection cycle and has a previous outstanding judgement.

At a local level we have been providing tailored support along with a universal offer to our Outstanding Schools to assist them in their preparation for inspection. This has included:

- Being ready for the 90 minute call
- Feedback from HMI on the exceptionality of the Outstanding Grade
- Briefing on HMCI Annual report findings on Outstanding schools losing their status
- Workshop for governors on the Outstanding judgement
- Series of 6 workshops on inspection judgement preparation for each key judgement

Positive feedback has been given by schools who have engaged with officers in preparing for inspection, noting the benefits in the work undertaken.

Ofsted are also currently inviting headteachers from Outstanding Schools to specific inspection workshops to be held on regional basis. Heads in the borough are receiving these invitations currently to support their pre-inspection preparation during summer 2023.

Summary table of Ofsted state-funded school inspections

Type of inspection	Graded	Ungraded	Urgent	Monitoring

* The law usually requires the maximum interval for inspections to be within 5 school years from the end of the school year in which the last relevant inspection took place. However, for schools last inspected before 4 May 2021, the legal maximum will, instead, be up to 7 years.

Statutory Inspection of Anglican and Methodist Schools (SIAMS)

SIAMS is the statutory inspection of Church of England and Methodist schools with schools expecting their inspection to take place approximately every five years. These inspections sit under S48 of the Education Act 2005.

The National SIAMS team schedules inspections, recruits and appoints inspectors and conducts Quality Assurance of reports and the process.

SIAMS inspections focus on the impact of the Church school's Christian vision. It involves looking at the school's Christian vision, the provision the school makes because of this vision and how effective this provision is in enabling all pupils to flourish.

The Evaluation Schedule has one inspection question:

“How effective is the school’s distinctive Christian vision, established and promoted by leadership at all levels, in enabling pupils and adults to flourish?”

This is explored through seven strands:

1. Vision and Leadership
2. Wisdom, Knowledge, and Skills
3. Character Development: Hope, Aspiration, and Courageous Advocacy
4. Community and Living Well Together
5. Dignity and Respect
6. Impact of Collective Worship
7. Effectiveness of Religious Education.

One overall grade is awarded reflecting the contribution of these strands to the flourishing of pupils and adults in a Church school. In addition a standalone grade is awarded in all schools for collective worship and in voluntary aided (VA) schools and former VA schools for religious education (RE). This grade is based on teaching and learning alone.

SIAMS judgments are: Excellent, Good, Requires Improvement or Ineffective

More information on SIAMS can be found at [SIAMS Inspections | The Church of England](#)

At a local level the Oxford Diocese Board of Education (ODBE) supports diocesan schools in readiness for SIAMS. There are strong links between the ODBE and the WBC School Improvement team with regular information sharing and joint working.

Schools in the borough who are scheduled for a SIAMS inspection during the academic year 2022/23 are:

The Coombes CE Primary School

Others who may be inspected in a wider timeframe during 2023/34 are:

Woodley CE Primary School
The Piggott School
Polehampton CE Infant School
Grazeley Primary
