**Question**

We have been visiting various schools for our 4 yr old to understand method and procedure used within schools towards education.

Some of the Schools mentioned as a borough we are looking to move away from Reward System and move towards Therapeutic approach of working/teaching within Borough Primary Schools.

If above is correct, can I please request if there is a General Strategy document which I can access and understand, what does that mean at an execution/operational level or day to day in a school setting?
