<b>FOR CONSIDERATION BY</b>	Children's Services Overview and Scrutiny Committee on 1 November 2023
<b>WARD</b>	None Specific;
<b>LEAD OFFICER</b>	Director, Children's Services - Helen Watson

## **OUTCOME / BENEFITS TO THE COMMUNITY**

Understanding of the judgement of schools against national benchmarks. In particular a reference to those schools recently inspected by Ofsted.

## **RECOMMENDATION**

For information.

## **SUMMARY OF REPORT**

There are no schools with published reports since the September meeting of the committee.

A reminder of the inspection processes and outcomes is found in the table below.

### **Outstanding Schools:**

Since the re-introduction of inspection for schools previously judged to be outstanding by Ofsted we have had three of our outstanding schools inspected. Two of these provisions have successfully retained their outstanding judgement.

As of August 2023 we have 7 schools awaiting inspection under this new guidance who were previously judged to be outstanding. Additionally the hospital school is also due for inspection under its routine inspection cycle and has a previous outstanding judgement.

At a local level we have been providing tailored support along with a universal offer to our Outstanding Schools to assist them in their preparation for inspection. This has included:

- Being ready for the 90 minute call
- Feedback from HMI on the exceptionality of the Outstanding Grade
- Briefing on HMCI Annual report findings on Outstanding schools losing their status
- Workshop for governors on the Outstanding judgement
- Series of 6 workshops on inspection judgement preparation for each key judgement

Positive feedback has been given by schools who have engaged with officers in preparing for inspection, noting the benefits in the work undertaken.

Ofsted are also currently inviting headteachers from Outstanding Schools to specific inspection workshops to be held on regional basis. Heads in the borough attended along with officers during July 2023 and onward dissemination of those materials will continue via the team in the new academic year.

Changes to the inspection handbook have been made for inspections taking place post 1<sup>st</sup> September 2023. These include further clarification of the expectations of schools in relation to safeguarding and enhanced processes, both during and post inspection, for headteachers to give feedback or make complaints regarding the process of inspection.

\* The law usually requires the maximum interval for inspections to be within 5 school years from the end of the school year in which the last relevant inspection took place. However, for schools last inspected before 4 May 2021, the legal maximum will, instead, be up to 7 years.

### **Statutory Inspection of Anglican and Methodist Schools (SIAMS)**

SIAMS is the statutory inspection of Church of England and Methodist schools with schools expecting their inspection to take place approximately every five years. These inspections sit under S48 of the Education Act 2005.

The National SIAMS team schedules inspections, recruits and appoints inspectors and conducts Quality Assurance of reports and the process.

SIAMS inspections focus on the impact of the Church school's Christian vision. It involves looking at the school's Christian vision, the provision the school makes because of this vision and how effective this provision is in enabling all pupils to flourish.

The Evaluation Schedule has one inspection question:

“How effective is the school’s distinctive Christian vision, established and promoted by leadership at all levels, in enabling pupils and adults to flourish?”

This is explored through seven strands:

1. Vision and Leadership
2. Wisdom, Knowledge, and Skills
3. Character Development: Hope, Aspiration, and Courageous Advocacy
4. Community and Living Well Together
5. Dignity and Respect
6. Impact of Collective Worship
7. Effectiveness of Religious Education.

One overall grade is awarded reflecting the contribution of these strands to the flourishing of pupils and adults in a Church school. In addition a standalone grade is awarded in all schools for collective worship and in voluntary aided (VA) schools and former VA schools for religious education (RE). This grade is based on teaching and learning alone.

SIAMS judgments are: Excellent, Good, Requires Improvement or Ineffective

More information on SIAMS can be found at [SIAMS Inspections | The Church of England](#)

At a local level the Oxford Diocese Board of Education (ODBE) supports diocesan schools in readiness for SIAMS. There are strong links between the ODBE and the WBC School Improvement team with regular information sharing and joint working.

Schools in the borough who are scheduled for a SIAMS inspection during the academic year 2022/23 are:

The Coombes CE Primary School

Others who may be inspected in a wider timeframe during 2023/34 are:

Woodley CE Primary School  
The Piggott School  
Polehampton CE Infant School  
Grazeley Primary

### **The Education Partnership Team work**

The School Improvement Team has repositioned its work from September 2023 and is now known as the Education Partnership Team. This reflects the facilitative and supportive way in which colleagues are working with the school system, brokering and commissioning support for schools. As the local system evolves greater focus will be on the schools system developing robust processes for supporting the development of teaching and learning in schools. This will be achieved at a practitioner to practitioner level and using the developing structures as Multi Academy Trusts build system capacity.

The team continue to work closely with schools, sustaining a relationship with schools as they join Multi academy Trusts and continuing to discharge statutory challenge and support functions with the community/maintained sector.

The work of the team follows the golden threads of the local priorities:

- Focussing on meeting the needs of the most vulnerable, including work on narrowing the disadvantaged gap and ensuring inclusion
- Welcoming and celebrating the new entrants and refugees moving into the borough to ensure effective provision
- Building an embedded approach to diversity and racial equity
- Building inclusive practice in schools through providing training and support for those wishing to work with a relational approach to behaviour management through a Therapeutic Thinking approach.
- Linking national good practice for Early Years provision in schools

All of the above should contribute to the building of good provision for pupils and outcomes.

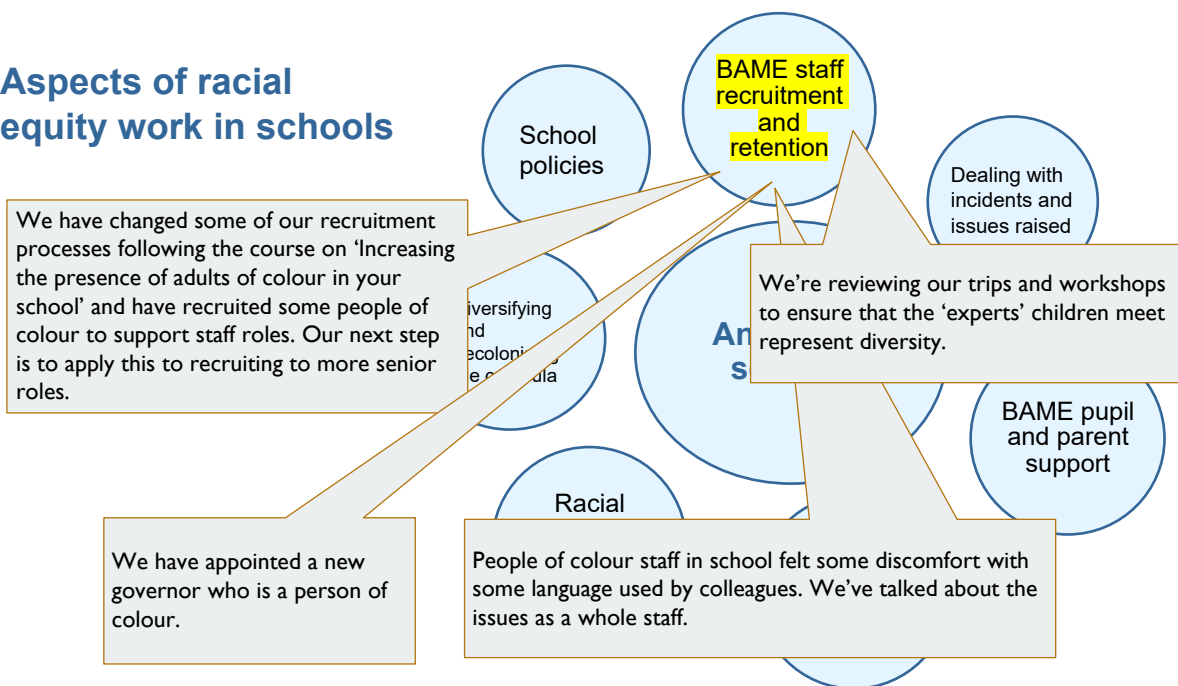

### Celebrating diversity

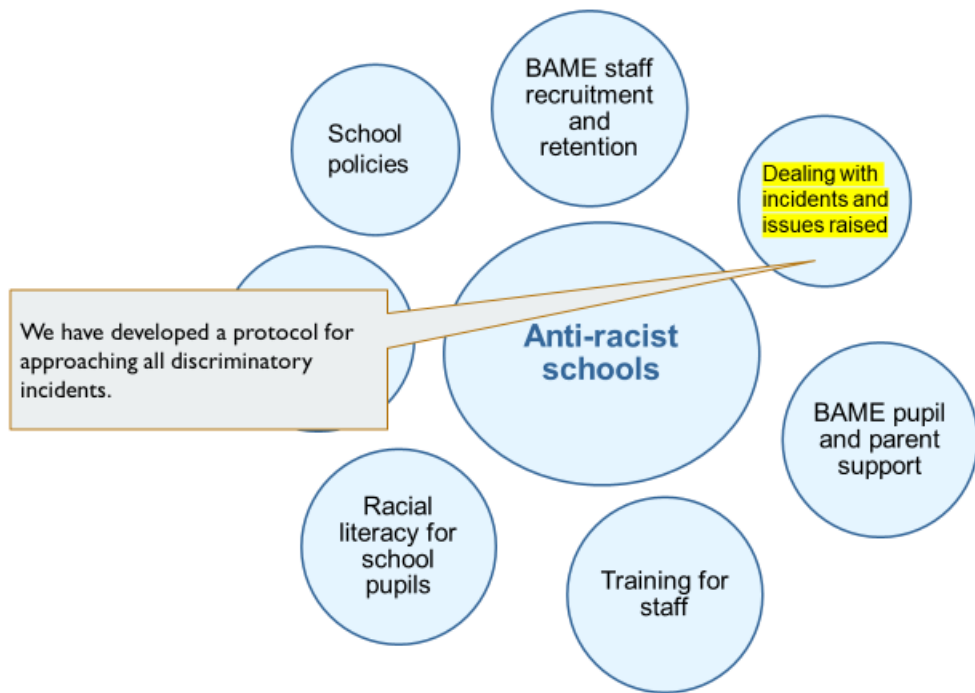

The Wokingham School census data reveals:

- **40%** of children are from Black, Asian and Ethnic Minority Groups (national average is 35.7%)
- **23.6%** of children are classed as those for whom English is an Additional Language (EAL) (national average is 20.2%)
- There are **114** different language spoken by pupils attending our schools

The New Arrivals, EAL support team offer support to schools and individuals. The Education Partnership Team also offer a series of Racial Equity development opportunities to schools and feedback from work undertaken on this includes:

### Aspects of racial equity work in schools
